

DECEMBER SONGS – 4 & Fab 5s

(Tune: The Muffin Man)

Skip around the Christmas tree
The Christmas tree, the Christmas tree
Skip around the Christmas tree
We love the holidays!

March – Kinara

Walk – Menorah

Poem

See the menorah all silver and blue
With nine little candles for us to view
There are four on the left
And four on the right
And the shammash in the middle
That lights them up at night

Poem

Sparkling lights on an evergreen tree
Give off a pretty glow
That's the sign of Christmas
That many people know

Candles in a menorah
For eight days burns bright
That's the sign of Hanukkah
Yes, that's right!

(Tune: Twinkle, Twinkle)

Twinkle, twinkle evergreen,
Prettiest we've ever seen
Ornaments and presents too
Some for me and some for you
Twinkle, twinkle evergreen
Prettiest we've ever seen!

(Tune: Grey Squirrel)

Reindeer, reindeer shake your fluffy tail
Reindeer, reindeer shake your fluffy tail
Fly up high onto the roof
Brush the snowflakes off your hooves
Reindeer, reindeer shake your fluffy tail
