

FEBRUARY SONGS – 4'S & Fab 5's

Valentine Time

The valentines are here.
The valentines are there.
Hi-ho, the valentines are here and
everywhere.
The valentines are up.
The valentines are down.
Hi-ho, the valentines are all around the
town.
The valentines are in.
The valentines are out.
Hi-ho, the valentines are scattered all
about.
The valentines are low.
The valentines are high.
Hi-ho, the valentines wave and say good-
bye!

Rise and Shine, Little Groundhog!

Little groundhog,
Little groundhog,
Sleeping all winter long.
Come out of your burrow.
Do you see your shadow?
Is spring near?
Is spring near?

Two Little Groundhogs

Two little groundhogs in a burrow s deep
(Make fists with thumbs inside.)
Stick out their heads to take a peek.
(Stick out thumbs from fists.)⁷
They look to the left.
(Move thumbs left.)
They look to the right.
(Move thumbs right.)
They hide from their shadows in the bright
sunlight!
(Pull thumbs back inside fists.)

Fishing for Fish

One, tow, three, four, five;
I caught a fish alive
Six, seven, eight, nine, ten;
I let it go again.
Why did you let it go?
Because it bit my finger so.
Which finger did it bite?
The little finger on the right.
