Rainbow purple

Rainbow blue

Rainbow green and yellow too.

Rainbow orange

Rainbow red

Rainbow shining overhead.

Come and count the colors with me

How many colors do you see?

1 2 3 down to green

4 5 6 colors can be seen.

### Stegosaurus

I am a stegosaurus

I'm a funny looking dinosaur

For on my back are many bony plates

And on my tail there's more

### Dinosaur

Never go to lunch with a dinosaur

They're a MEAN FOUL NASTY group

They burp and they slurp

And they never sit down

And they might even step in your soup!

### Sometimes

Sometimes my hands are at my side

Sometimes behind my back they hide.

Sometimes my fingers wiggle so.

Wiggle fast.

Wiggle slow.

Sometimes my hands go clap, clap, clap!

But now they're resting in my lap.

They're as quiet as can be

Because it's story time, you see.

### The Shapes are Flying

(Daring young man on the flying trapeze)

Oh, they float through the air

With the greatest of ease.

Circles and ovals fly high in the breeze.

Triangles, rectangles, and squares,

If you please. The shapes are all flying away!
