

NOVEMBER SONGS – 4s/5s

Cutting

(Tune: London Bridge)

Keep your thumbs up when you cut
When you cut, when you cut
Keep your thumbs up when you cut
And squeeze the blades together

(Tune: Are you Sleeping)

We love fall leaves
We love fall leaves
Yes we do!
Yes we do!
Watch the pretty red leaves
Watch the pretty red leaves
Falling down to the ground.

(Tune: The Farmer in the Dell)

The leaves are falling down
The leaves are falling down
Heigh-ho! It's fall, I know
The leaves are falling down

The leaves are turning brown
The leaves are turning brown
Heigh-ho! It's fall, I know
The leaves are turning brown

(Tune: Are You Sleeping)

It's Thanksgiving, It's Thanksgiving
Time to eat, time to eat!
I like mashed potatoes; I like mashed potatoes
What a treat, what a treat
Change food – tasty turkey, pumpkin pie
Green beans, etc.

Poem

Four little leaves hanging from a tree.
Looking as lovely as can be.
Whoosh went the wind and one leaf said.
I'll meet you on the ground. I'm the color red.

Three little leaves hanging from a tree.
Looking as lovely as can be.
Whoosh went the wind and another fell down.
This little leaf was the color brown.

Two little leaves hanging from a tree.
Looking as lovely as can be.
Whoosh went the wind. Oh my, it was cold!
Another leaf fell; it was the color gold.

One little leaves hanging from a tree.
Looking as lovely as can be.
Whoosh went the wind and it started to sway.
But it was still green, so it had to stay!

(Tune: Sing a Song of Six Pence)

Each year in November we celebrate the time.
When Native Americans sat down to dine.
With pilgrims who had traveled from far, far away.
And that's the reason why we celebrate Thanksgiving Day!

(Tune: Head Shoulders Knees and Toes)

Monsters, cats and spiders too.

Spiders too.

Are walking all around with you.

Yes with you.

On this night, it is quite all right.

On Halloween it's what we do.

What we do.

Poem

It's harvest time and what do I see?

Pumpkins; pumpkins in a tree!

In a tree? That can't be!

Where, oh where, should pumpkins be?

On the ground, yes on the ground!

That's where pumpkins should be!

(Tune: Head Shoulders Knees and Toes)

Red and yellow, blue and green, blue and green.

Red and yellow, blue and green, blue and green.

Brown, orange, purple, black and white.

Red and yellow, blue and green, blue and green.
